Assembly of Dog House, Bird House and Chicken Coop:

Use a ruler to fold against!

1. Fold chicken back to back.
2. Glue blank sides together.
3. Fold tab. That will be used to glue chicken in the coop.
4. Cut grill on coop before cutting coop from page.
5. Cut rest of coop and fold at proper fold lines (see illustration).
6. Glue tabs to the back of the coop.
7. Place glue on the chicken's tab, then slide chicken in coop and stick her head out of grill. Stick the tab on the back wall of the coop.
8. The bird house is self explanatory. Refer to the illustration.
9. Fold the stand to make a triangular pole. Folds must be straight. Glue tab to the interior of the pole.
10. Glue pole to pad. Allow the glue to dry.
11. Glue pole to underside of bird house. You may need to steady it on either side with books or the like.
12. The dog house is self explanatory.
